HB 858 – Banning Cruel Traps in Montgomery County (2010): Bans body-crushing traps in Montgomery County and removes the exemption allowing leghold traps to be used on farmland • Sponsored by Delegate Tom Hucker and Senator Mike Lenett

THE SCORECARD

The **Humane Society Legislative Fund** and **Maryland Votes for Animals** publish this Humane Scorecard to assess the support of Maryland state legislators on a broad range of animal protection issues. The Scorecard provides an easy way for you to judge how your state senators and delegates have acted on animal protection measures during the 2007–2010 legislative sessions and helps chart the progress of our public policy work on behalf of animals.

HOW SCORES ARE CALCULATED

Many animal protection issues never receive floor votes in Annapolis. Some fail in committee and some languish until the end of session, never receiving a vote. To accurately measure legislators' support for animal protection over the past four years, we scored all House and Senate floor votes and several key committee votes, and indicated sponsorship or co-sponsorship of measures. Scores are given as percentages of the total number of items counted, which varies for each legislator. Details can be found at hslf.org.

WHAT ELSE CAN YOU DO?

We hope you'll use the Scorecard as a tool to ensure your legislators are representing your interests. Let them know you're watching and you appreciate their support for pro-animal legislation. Or, if they haven't done enough, let them know you'd like to see them do more. Also, you can write a letter to the editor of your local newspaper to call attention to these issues. Finally, please share this publication widely. Access it online—and keep up to date with our work—at hslf.org and voteanimals.org.

Maryland Votes for Animals (MVFA) is an organization with one overriding mission: To create an ever-growing voting bloc of animal advocates who will elect representatives willing to champion and vote for animal protection legislation, and to hold politicians accountable to their constituents.
